

to the Secretary of the Treasury for payment to states or for certification of the state law for purposes of additional tax credit. If this information is not available, the Secretary cannot make such certifications. To facilitate transmittal of required material, the Department prescribes the use of Form MA 8-7, Transmittal for Unemployment Insurance Materials. This simple check off form is used by the states to identify material being transmitted to the National Office and allows the material to be routed to appropriate staff for prompt action.

II. Review Focus

The Department is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other

technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
